

Attention Outdoor Enthusiasts!

ADK Teen Workshop Scholarships are available for Summer 2023 Programs

The Susquehanna chapter of the Adirondack Mountain Club is seeking two teenagers to participate in a Teen Program of their choice this summer in the beautiful Adirondack Mountain wilderness of upstate New York. All costs, except transportation to and from the camp, are covered by a scholarship program created in memory of Dr. Currie Marr, a longtime chapter member and former professor in the Department of Biology at SUNY Oneonta.

Participants must reside within Otsego or Delaware counties and must also meet any additional requirements for the ADK workshops. Program offerings and requirements may be viewed at <https://adk.org/youth-teen-programs/>

Interested teens should fill out the application found at:

https://docs.google.com/forms/d/e/1FAIpQLSd2KytBt2pkSXdH1WDoo_08dxLiRwxna3RpGBwJ9N3GdLwlPA/viewform?embedded=true

Scholarship awards will be made in late May.
